INTEGRATED CABLES

Soluzione estetica per cambio e deragliatore che nasconde e protegge interamente i cavi all'interno del telaio.

Rear and front derailleur Aesthetical solution which hides and protects cables inside the whole frame.

FLAT MOUNT DISC BRAKE

Questo nuovo standard permette di ridurre il materiale necessario per accoppiare la pinza del freno al telaio. Questa soluzione riduce i pesi e la forza di coppia impressa sul telaio durante la frenata. Mediante l'uso di un adattatore è possibile montare una pinza post mount

It's a new standard, which allow reducing needed material to match the calliper to the frame. This solution reduce the weight and the torque on the frame during the slow down. Anyway, through an adaptor, is possible using post mount calliper.
